

Premium Corporate and Individual Wellness & Leadership Solutions. Nutritional supplements and Aromatherapy oils

Dear Valued Client

As we move into the festive season and it is yet again the end of another year, we would first of all like to thank you for your loyal and continued support during the past year.

We would like to celebrate a few highlights with you:

- Zendegis was the **first** nutritional supplement range to be launched country wide in the beauty industry and now has also embraced the medical and medical aesthetic field whilst remaining the **best quality** health, hair, nail and beauty formula.
- The entire Zendegis supplement range upholds the highest quality standards not only in it's contents but also in it's claims.
- The Zendegis aromatherapy oil range is a popular natural body and face moisturizer as it contains no colourants, preservatives or synthetic fragrances – a plus for sensitive skins and environmentally conscious users.

Special Announcement:

Zendegis continues to remain at the forefront of pioneering scientific research thereby ensuring excellence in providing customers with premium quality products.

Products to be taken in December

As clients prepare to go on holiday (which in itself has proven to be stressful) remember to remind them to take Zendegis Anti-Ageing (Dosage: 26 + years 3 tablets per day).

Should the pressure be great and the immune system low, we suggest that clients take the Zendegis Immune Booster with the above mentioned supplement whilst on holiday to ensure optimum health.

Zendegis aromatherapy oils are wonderful Christmas gifts - why not spoil a special person in your life with a pampering present with benefits?

Wishing you and your loved ones Love, Peace and Joy during the Festive Season!

Warmest regards

Yours in Health and Beauty
